Instruction on accessing MATLAB online
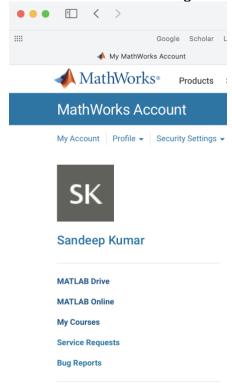

1. Register to get a MATLAB online account by visiting this link:
    https://www.mathworks.com
2. On the top right, click on person's icon.
3. If you haven't registered for a MATLAB account, then click on 'Create One'. Use your Princeton's credentials to create an account.
4. Login with your Princeton credentials (username@princeton.edu).
5. You should reach a page which will look something like this:

6. Click on MATLAB Drive. Upload the bootcamp files from github repo to your MATLAB Drive.
7. Click on MATLAB online. Sign in using your Princeton's credentials. Bookmark this page.
8. You should be able to see the folders which you uploaded on MATLAB Drive.
